

Resch Events

All dates and workers will be determined in the previous month.

PMI sends out dates available to work around the 2-3 week of the previous month. The club representative/s (along with input from members) will decide what dates are to be worked.

Dates are submitted to PMI and we wait for confirmation.

Dates are determined upon availability and how many members would like to work.

Upon confirmation of dates, an e-mail is sent and dates are posted at the rink.

Club members must submit dates that they would like to work through e-mail before the sign up deadline. It is recommended to submit all dates that you are available to work. This helps to fill all slots and also gives you a better chance at working as many dates as you would like.

All workers must be willing to work a variety of events. (*Positions include register, runner, cooking, and also set up and clean up(including dishes and mopping.)*)

Workers will be evenly distributed. If we have more workers than slots to fill this is when the “tie breaker” will come in to effect. See tie breaker below.

A list of dates, start times and worker’s names will be sent via e-mail and posted at rink usually around the 3-4 week of the previous month to be worked.

A lead person will be assigned to the group for every event. This person will make sure everyone is on time and working together and will report back to the representative (Vicki Sachs or Molly VandenLangenberg) with any problems.

All workers are expected:

- 1.) **To come to work on time and stay until the end of shift.** Many times we only have about a half hour to prepare before doors open. It is only fair to everyone that you arrive on time ready to work. Anyone arriving late or leaving early will be subject to a minimum of a \$10.00 deduction
- 2.) Wear black pants and comfortable shoes
- 3.) **Be willing to work/learn where needed** You will need to be willing to either cook, run register, be a runner, clean up, dishes, mop etc. *If not, please do not sign up to work this fundraiser event*
- 4.) Follow PMI’s rules and protocols
- 5.) **To be feeling well and physically able to work.** Please do not come or sign up if you are sick or injured, or have physical limitations that would prohibit you from doing any of the duties required. Please notify the representative that you can not work ASAP.
- 6.) Act appropriately. Remember you are representing our club and PMI
- 7.) All tips are to be turned in to the team representative (Vicki Sachs or Molly VandenLangenberg) or placed in the KICKS box at the rink. They will be distributed evenly among the workers.

Tie Breaker

The tie breaker will be used when we have more workers than slots to be filled or more workers for one particular date than needed.

Starting with April, 2008, all Resch credits earned by each family working will be kept track of in a "Tie Breaker account". This account is a running total of all credits earned by each family that has worked any Resch events.

In the event the tie breaker needs to be used, the family having earned the least amount of Resch credits, will have first choice for the event.

Exceptions to this would be:

- 1.) A member who works at the Resch, upon request from PMI, on their own and not with a KICKS group will not have these credits counted against them.
- 2.) A member who does not show up for an event will have "pretend" \$45.00 counted toward this tie breaker account.

Earnings

PMI pays groups working \$8 per worker or 10% of sales whichever is greater.

PMI sends checks usually around the 15th of the following month worked. Your KICKS account will not be credited until the following month after that. For example if you work in January you will not see a credit on your KICKS account until the March statement.

All monies earned (along with tips) will be evenly divided among each worker that worked a particular event.

All monies earned can only be used for the KICKS. Money earned can not be transferred to your GGBFSC account.

Attire and Parking

Please wear black pants and comfortable shoes.

You will be given a shirt to wear.

Parking is free in the Lambeau Field Parking lot. Just tell the attendant that you are working at the Resch

Park in the lot at the corner of Lombardi and Oneida Streets (Go to the right after entering lot).

To enter the Resch Center, enter in the back.

Walk down Lombardi street toward the back of the Resch

Walk through the parking lot, in the back of the Shopko hall and the Resch.

There is a Alley between Shopko hall and the Resch. Walk down this alley and enter the grey door to your left. No need to ring bell.

Go to the office and make sure you check yourself in under the GGBFSC KICKS name. You will have to sign in on a clipboard also with the time of arrival and then departure when you leave.

They will tell you what booth you will be working in.

Go select a Shirt to wear (down the hall and around the corner)

Take the elevator up to the booth.
